

Alternative Therapies Treatment Disclaimer

At its discretion, Imagine! may agree to fund a professional service or program for alternative therapies, but does not endorse, verify, recommend or vouch for the safety, quality or efficacy of a particular provider, program or treatment. The undersigned shall indemnify, save and hold harmless Imagine!, its employees and agents against any and all claims, damages, liability, and court awards including costs, expenses, and attorney fees incurred as a result of any act or omission by the provider, or program, or their employees, agents, subcontractors, or assignees.

Please provide efficacy data:

Please include general information about the alternative therapy including the type of approach and how it has been shown effective. Additionally, include how this will benefit your child based on either testing or observations. And, we will need you to follow up with us in approximately six months to let us know if this continues to be of benefit to your child. This information can be provided by the parent, the provider, or both.
